SUBSTITUTE SPECIFICATION UNDER 37 C.F.R. § 1.125(b)

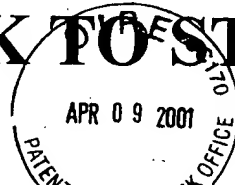

Applicants submit herewith a substitute specification for the captioned application under 37 C.F.R. § 1.125(b). [M.P.E.P. 608.01(q).] The substitute specification includes no new matter. Applicants submit a marked-up copy of the substitute specification showing the matter being added to and the matter being deleted from the specification of record. The matter being added is underlined; the matter being deleted is struck through.

Applicants submit the substitute specification so that the text of Appendices A and B will be printed in the specification of the issued patent. After the paragraph ending at page 21, line 30 of the substitute specification, Applicants insert text originally submitted as Appendices A and B in the captioned application. Applicants have made changes to the formatting of the text throughout the substitute specification.

Applicants submit an electronic copy of the substitute specification to facilitate entry.

DISK TO STICK

DATE:

Applicants respectfully request favorable consideration, entry of the substitute specification, and passage to allowance.

Respectfully submitted,
